

milet

The word 'milet' is rendered in large, colorful, lowercase letters. A young girl with brown hair and a yellow headband sits on the 'm'. A young girl with dark skin and a blue headband with a white flower sits on the 'i'. A young boy with dark skin and a green shirt jumps over the 't'. The letters are colored: 'm' is pink, 'i' is orange, 'l' is red, 'e' is lime green, and 't' is purple.

Starting Series

Various authors

Illustrated by Anna Wilman

The Starting series is an introductory course designed specifically for young adult and adult learners. It focuses on day-to-day language needs, covering the practical language required for situations such as meeting people and socializing, getting around and making arrangements, and getting help and information. Language is presented accessibly using dialogues, with key grammar points explained and illustrated. Activities at the end of each topic test language in a practical context. All dialogues appear on the accompanying CD to help learners develop fluency.

The Starting books are a lively accessible way into learning languages.

The for Speakers editions are bilingual. They include helpful texts in the learner's own language, to make learning easier.

Abby and Zak series

Various authors
Illustrated by Laura Hambleton

Abby and Zak is a fresh and fun approach to language learning. The book is designed as a storybook rather than a textbook to give children a bright and stimulating introduction to the language. It covers topics that will appeal to young learners, such as family and friends, school, toys and games, numbers and colours.

There are loads of entertaining and challenging opportunities for children to test their own progress, and there's support for parents and teachers too—information on how to use the course and ideas for making learning fun and effective.

There's also a CD with the book to give children a lively context in which to practice speaking the language.

Have fun learning languages with Abby and Zak and friends!

Welcoming Abby and Zak to the screen! Our innovative language learning books for young children, which feature Abby and Zak, have been adapted to CD-ROM, as well as to iPhone and iPad apps. (Find out more about the books on page 21).

The CD-ROM retains the story-like feel of the books, following our cast of engaging characters and covering 15 topics that kids love, including family and friends, school, toys and games, numbers and colors. Each topic is introduced in a colorful, playful section that includes vocabulary, sentences and short conversations that learners are encouraged to repeat and practice.

Children can play games like word search, match and jumble, and even receive rewards for completing quizzes to check their progress! There's also a Wordlist for vocabulary and pronunciation practice.

The CD-ROM includes a guide for parents and teachers and is ideal at home and in the classroom for individuals, families and groups. An entertaining and accessible way for children to learn languages!

Bella Balistica and the Indian Summer

Adam Guillain

When her mum gets a new boyfriend, Bella's world is turned upside down. "I don't need a father figure," Bella complains. "I have a father!" While on holiday in India, Bella discovers sinister forces are conspiring to steal her precious pendant and mystical powers. Can Bella outwit the spellbinding Diva Devaki, heal the rift with her adoptive mum, and finally meet her elusive birth father face to face?

Bella Balistica and the African Safari

Adam Guillain

Bella has just started secondary school. "You haven't got a mobile phone and you haven't got a boyfriend," Charlie told Bella. "Round here, that makes you a bit of a freak." With her mother's mystical pendant and the powers of a Mayan goddess behind her, Bella sets off on a quest to find her long-lost father. But what do the corrupted symbols on a faded tapestry in Ethiopia have to do with the American tycoon Askar Karpov and an elite band of medieval knights?

Bella Balistica and the Itza Warriors

Adam Guillain

The Corporation has stolen the powerful Itzamna Emerald from the Temple Warriors in Itza and holds it in a secret display case in its headquarters. With the world in meltdown, global warming, crazy weather, high oil prices and debt—a situation globally manufactured by the Corporation—Bella Balistica must now reunite the Five Warriors of Itza, reclaim the emerald and in doing so, expose the Corporation and their aims and change the way humankind interacts with the natural world. Amid this action, Bella is also coming to terms with her adoptive mother Annie's marriage and new baby.

Bella Balistica and the Forgotten Kingdom

Adam Guillain

"I told you not to come!" cried Bella's father in despair. "Now Hunter is on to us!" With her mystical pendant and the powers of a Mayan goddess behind her, Bella fights to fulfil her part in an ancient prophecy. But in the race for a road map, a lost tomb and tablets that could awaken the forces of the gods, can she discover what deal connects New York businessman Orom Hunter with the Kingdom of Kommagene and the mother of all rakah?
