LET'S GO! SERIES

This board book series features a mode of transport in each book and encourages children to explore the great outdoors. It is a fun and engaging read, perfect for toddlers and early learners as they begin the years of discovery. Natalia's fun illustrations perfectly complement Rosalyn's text.

ABOUT THE AUTHOR

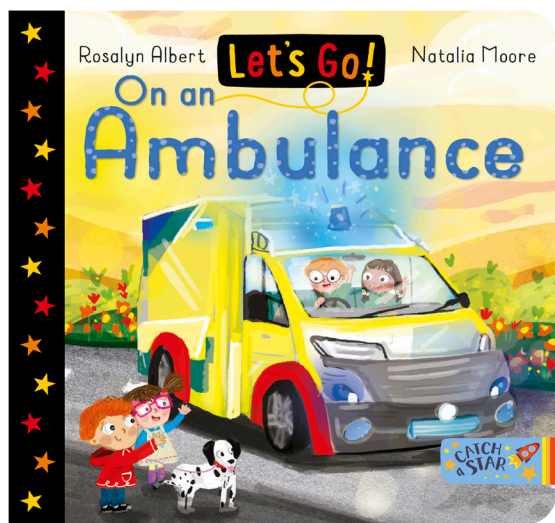

Rosalyn grew up in Wales, where she spent the majority of her time walking her border collie, Jasper, pretending to be George and Timmy from Enid Blyton's *Famous Five*. As a child, she loved nothing more than getting lost in a good book and went on to study English and German Literature at Southampton University. She has always had a passion for travel and adventure, and after living in Berlin, Belgium, London and New Zealand, she currently resides in Sydney with her husband and two young daughters. Reading thousands of stories to her daughters over the past few years inspired her to follow her life-long dream of putting pen to paper and creating fun stories of her own. She can be found on Twitter and Instagram @rosalynalbert_. Website: www.rosalynalbert.com
