TOGETHER WE CAN CHANGE THE WORLD SERIES

Popo the Emperor Penguin is the seventh book in the *Together We Can Change the World* series. A series of seven stories, covering seven continents, with seven important virtues: Love, Courage, Compassion, Kindness, Integrity, Respect and Gratitude. Each book highlights a fundamental core value, whilst simultaneously encouraging children's responsibility towards Planet Earth. The books' protagonists are an endangered or threatened species from each continent.

ABOUT THE AUTHOR

'How we nurture the world around us directly impacts the world within us!' Beverly Jatwani's deeply spiritual upbringing in India was rooted in outdoor play: muddy knees and climbing trees is best how she describes her childhood. It is with these previous memories in mind, armed with the life lessons that she learnt whilst being a mum to three spirited children, that inspired her to co-found the Middle East's first green and purpose over profit children's nursery. Having witnessed how children engage with nature, Beverly was inspired to write a series of children's books that capture the innate love and affinity that children have with Mother Earth. Through these seven beautifully illustrated and tenderly written books, Beverly takes children on their own journey to discover how even little people can make a positive impact on our planet.
