The Big Picture: Wildlife Conservation

Featuring twenty of the world's most 'at risk' animals, this book teaches young naturalists about conservation programs protect the lives of endangered wild animals from hunters, poachers, illness and other threats. Understanding these threats is balanced with conservation success stories from around the globe to give the reader hope for the future. Clearly written text, maps, quotes and stunning full-page illustrations bring the reality into focus for the reader.

Who's Behind the Book?

Illustrator

Gilang Ayyoubi Hartanto is an illustrator and toy designer. He graduated in 2017 from the Bandung Institute of technology with design degree. He specialises in complex illustrations of wildlife. He lives in Jakarta, Indonesia with his wife, child, a bearded dragon and two Indonesian blue tongue skinks!
