Enter a mystical world where a man and his strange pet lizard attempt to lure luminous flying creatures to their town. Through innovative wordless storytelling and wonderfully detailed panel illustrations that invite children to use their imagination, this story will light up the lives of those in search of direction and allow each reader to interpret it according to their own unique vision of the world.

**Yuanhao Yang** graduated from the Department of Illustration at Nanjing University of the Arts and now resides in Nanjing, China, where he illustrates children's books. It is his belief that everyone views the world differently, and he enjoys transforming these worlds into interesting forms using pen and paper.
