**Sean Pointing** is a proud father of two. After growing up in England, he explored the world until settling on the blue skies and beautiful surf beaches of Sydney, Australia. As a child Sean loved nothing more than riding his bike, going on adventures and dreaming up new characters to draw. Since then Sean has travelled as a sponsored BMX rider, become an award-winning animator, having animated for a prime minister, the Vatican and TedX. His best adventure yet has been becoming a Dad and after making many memories reading story books to his own boys, he now hopes to inspire parents and their children to be brave, bold and ride like the wind.
