# Eco Action

Our planet is under threat. People are living unsustainably, and it is damaging our world. So what can you do to protect our precious Earth? You can take action—eco action—and this empowering series will show you how.

### Book Title: Making Food Earth-Friendly

**Author: Sarah Eason**

The way we are farming, packaging, and disposing of our food is harming the planet. What can we do to stop that damage? We can take eco action! Discover what people are doing to make food more sustainable, and learn how you can help protect our planet too.

**ISBN:** 978-1-915153-64-7
