## The Big Picture: Prehistoric Wildlife

In Prehistoric Wildlife you will walk in the footprints of 20 extinct animals, the like of which will never be seen again. These dinosaurs, early mammals, fishes and more ruled the continents, oceans, rivers and skies. Learn what they looked like, how they existed and where they lived. Remarkable illustrations, age appropriate text and a colour map showing worldwide fossil sites and bring the lives these fascinating prehistoric creatures into sharp focus.

## Who's Behind the Book?

### Illustrator

Gilang Ayyoubi Hartanto is an illustrator and toy designer. He graduated in 2017 from the Bandung Institute of technology with design degree. He specialises in complex illustrations of wildlife. He lives in Jakarta, Indonesia with his wife, child, a bearded dragon and two Indonesian blue tongue skinks!

### Author

Lyn Coutts is a highly-experienced publisher, editor and author of non-fiction books for adults and children. Originally from Australian, Lyn has made the UK her home for many years. She lives in Sussex with her husband.
