KEY SELLING POINTS

- Beautifully illustrated artwork that invites young readers to explore each animal's unique world
- Introduces climate change in a way that allows young readers to critically reflect and think about its effects on the Earth
- Uses engaging rhyming text for fun reading, making it ideal for parents, teachers and librarians to read aloud
- Prompts young readers to develop empathy for animals and natural habitats at risk
- Supports early literacy through the teaching of rhyme, vocabulary and environmental awareness
- Sparks discussions about climate change and conservation, giving children the tools they need to understand real-world issues
