Plan International is one of the world's oldest and largest international charities, working in partnership with millions of people around the world to end global poverty and injustice. Not for profit, independent and inclusive of all faiths and cultures, Plan has only one agenda: to improve the lives of children.

Description:

Where do you go if your home is no longer safe?

Every child needs a home. They need somewhere safe where they can be happy, eat their meals with their family, play with their toys, and go to sleep at night feeling unafraid.

But many children all over the world have had to leave their homes because they are no longer safe. Because of war and conflict, they and their families have become refugees. For them life is hard and full of questions. In spite of everything, they find time to laugh, play, and make friends. And most importantly, they have hope that somewhere, someone will welcome them to a new home.

A glimpse into the lives of child refugees as well as the resilience and endurance they exhibit in many forms.- Kirkus Reviews
