

Sunny Gets to Work

Zanni Louise
Illustrated by Susie Oh

In Every House, On Every Street meets A Family is a Family is a Family.

From inside-out shirts to overflowing baths, 4-year-old Sunny's house is always a bit chaotic. When Mama tries to order pizza using the remote and Dad falls asleep in the baby's cot, Sunny decides it's time to step up. But running a household isn't as easy as he thought, and he'll have to learn that no matter how messy life gets, family love is what matters most.

Perfect for children ages 3–6, this book embraces the messiness of family life with two working parents, offering valuable lessons and a refreshing perspective. With its positive message, it reassures families that it's okay to make mistakes as long as you stick together.
